

Information to our customers about the OHLER brand

Remscheid, Jan. 2022

Dear Ladies and Gentlemen,

we would like to inform you as an important customer of Gebr. Lennartz GmbH & Co. KG, that we have handed over 100% of our business field "OHLER circular sawing machines" to Schubert Maschinen- und Anlagenbau GmbH based in Ennepetal with effect from January 01st, 2022.

We have been working closely with the Schubert Company for several years. Within the Schubert Group, the Schubert Company is an absolutely competent and future-oriented contact in mechanical and plant engineering.

In Schubert we are sure, that we have found a reliable, innovative and very strong partner, who will meet all future requirements from spare parts, overhauls to new systems and will satisfy you as a previous OHLER customer.

All other business areas of Gebr. Lennartz GmbH & Co. KG remain unaffected and will be continued unchanged at our locations in Remscheid (Germany, Headquarter), Ohio (USA), the Czech Republic and China.

We would like to thank you most sincerely for the cooperation, that has been in place for - in some cases - decades and for the trust you have placed in us, and we hope, that we will continue to have a good partnership.

A handwritten signature in black ink, appearing to read "A. Lennartz".

Arnd Lennartz

Managing Director
